Practice External Exams 2018 Level 2 Biology & Level 1 Science Past Papers for both of these

Level 1 Science – three Standards, the external Achievement Standards: 90940, 90944, 90948.
Mechanics, Acids & Bases, Genetics & Variation

Level 2 Biology – three Standards, the external Achievement Standards: 91156, 91157, 91159.
Cells, Genetic Variation, Gene Expression

The Examination for each Standard is intended as a 1 hour paper. A suggested Answer Schedule is provided. We continue to try to reflect the trends of the actual papers and we listen to your comments to improve what we do. Sadly, due to lack of writers this year we have had to reduce the number of standards offered.

Past Papers for the discontinued Standards are still available. See the second page for details.

2018 Exams email delivery by the start of term 3 or earlier if ready

Past Papers are delivered by email upon purchase.

PRICING remains unchanged, \$55 each for this year's Exams and for their Past Papers.
